1. **Approval of previous meetings minutes from January**
2. **Financial Report**
  - a. Revenues for the month were higher than expected due to the couple weeks of warm weather that allowed golf to begin. Thank you to all who have come out already this year; we look forward to seeing the course introduced to new players again this year!
3. **Committee Reports**
  - a. Work continues on the tree replacement program; look for more information on the website if you would like to donate to the cause. This year's goal is to replant an additional 8-10 trees; last year we were able to kick things off by planting 12 new trees.
  - b. The board is looking to add to the golf cart fleet this year to ensure that there are adequate carts for the upcoming season. Last year with all the demand the course rented 10 additional carts through the 2020 season to meet the demand.
  - c. Work continues on the plans for updating the exterior of the existing building; look for more information regarding this in the coming months.
4. **General Manager's Report**
  - a. Golf course hours of operation have been increased as we move into spring; look to the website for hours of operation and updates on COVID restrictions as things begin to open up a bit.
  - b. Leagues will be getting set up for this coming golf season; look for more information in the coming month.
  - c. If you are interested in a golf membership, they can now be purchased online.
