

Friends of the Norsk, Inc.

“The Next Chapter...Let’s Write the Story Together”

Friends of the Norsk has worked on behalf of its Members and all Village of Mount Horeb residents to renovate and re-imagine the irreplaceable green space in the center of Mount Horeb that we all know and love. Through countless hours the FOTN Board of Directors has worked to establish the Norsk Golf Club as a family friendly destination for golf, bowling, and winter recreation.

Generous donations, from the initial 65 households representing the original FOTN Members, helped to offset the cost of many improvements to date:

- Renovations to interior and exterior of building and grounds
- Replacement of holding tanks and pumps for existing irrigation system
- New golf carts, greens mower, and rough mower

As we enter our second decade, we would love for you to help us to continue to **Write the Story!**

The Next Chapter looks to build off the foundation laid by the Board of Directors and continue the sustainable operations that focus not only on continued improvements to the Norsk Golf Club, but also partnering with the many other organizations and booster clubs in our Village that do great work to support the youth and families of our community.

This next chapter needs your help not only in the form of a monetary donation, but in your donation of time as well. It is our hope that you would consider a donation to FOTN that would not only help make additional renovations, equipment purchases, and the advancement of community engagement initiatives a reality, but more that you would consider picking up your pen and helping us write the story by being involved as a potential Board member.

Your *tax-deductible* donation at three different levels allows you:

- To run for a potential seat on the Board of Directors
- Voting rights for Board of Director annual elections
- Recognition with an engraved paver on the continually growing donor walk at the firepit.

Donation Levels:

All below donation levels provide a designated member of the household an opportunity to run for a position on the FOTN Board of Directors. Initial donors to FOTN can contribute again to move up to any of the below donation levels to be eligible for an opportunity to run for a position on the FOTN Board of Directors (i.e. if you previously donated \$500, you can donate an additional \$500 to become eligible and have (1) designated member vote per household in the Board of Directors annual elections)

- Donation level; \$1,000-\$1,999 per household = (1) designated member vote per household
- Donation level; \$2,000-\$4,999 per household = (2) designated members vote per household
- Donation level; \$5,000 + = (3) designated members vote per household

It’s an exciting time to be able to dream big about the impact FOTN can continue to have on the community for generations to come!

Please consider being a part of this exciting **Next Chapter...Let’s Write the Story Together!**

To learn more about FOTN and the exciting work we are doing please reach out to Marc Schellpfeffer at friendsofthenorsk@gmail.com for more information.

Thank you for your consideration,

On Behalf of the FOTN Board of Directors, Marc Schellpfeffer, President
